Co-Presidents: Scott Goldstein and Kelly Lavoice
Vice President: Cathy Chern
Secretary: Carmen Negron
Treasurer: Cathryn Miller
Webmaster: Laura Palumbo

The meeting came to order at 5:51 pm.
Attendance sheet and agenda were distributed.

I. Introductions
Kelly began the meeting by welcoming us all.

II. Budget Allocation
Catherine informed the attendant about the process from getting funds from the GSA. LISSA must apply for money for all student organizations under its purview, this includes SCARLA. However, the Fall deadline was missed and we currently don’t have funding from the GSA. However, we do currently have $107 left over from the Spring 2012 semester and we can reapply for funding again in January. We can also get a maximum of $300 from SC&I, but this budget must be approved by Marie Radford.

III. Professional Organizations 101
a. Refreshments
b. Travel stipends
c. Webcast
d. Questions to Ask Speakers
Kelly went on to remind everyone that the workshop was moved to October 23 as one of the panelists wouldn’t have been able to attend the previous date. She is hoping to use the $107 GSA money left from Spring for refreshment.

IV. Advertisements for Planned Activities
a. Professional Organizations 101
b. Art=Text=Art Tour
c. WordPress Workshop
Kelly informed us that the designs for these advertisements will be made by Dave Lyons. We will then print them and post them throughout the campus. We do not need to receive approval to post posters to Rutgers announcement boards.

V. NJLA CUS/ACRL Newsletter Fall 2012 and Winter submission
   a. Deadline: October 26th
   b. Write about SCARLA programs, projects, library trends & innovations

   Kelly spoke about the article that appeared about SCARLA in last year’s issue. The article only needs to be a few hundred words. Kelly reminded us that the article would give us some great exposure to people that would then look forward to participating in our future events.
   Carmen mentioned that the Professional Organization Panel is the perfect thing to write about for the Fall issue.
   Laura mentioned that we should write one for the Fall and then if anything further comes up for the spring we should also write one up then.
   Kelly also reminded if anyone would like to attend the ALA annual meeting coming up in Chicago, IL from June 27-July 2, 2013. She informed us that Gene Springs is aware that there are many scholarships being given by different organizations and encouraged the attendees to reach out to Gene Springs for further information on these organizations.

VI. Future Activities
   a. December Elections
   b. Resume Review Service

   Kelly went on to remind us all that in the December there will be two positions that will be open for election for the Spring semester: webmaster and vice president.
   Kelly is trying to find 2 or 3 hiring librarians that might look review resumes as an event in December as there are several students that graduate in December and will not be able to attend the Spring Career Fair.
