JULIE SETELE

Dr. Julie Setele (they/them) is a User Experience and Outreach Librarian at SUNY Buffalo State University. At work, Julie runs the Social Justice Book Club, teaches credit-bearing information literacy courses, and curates a collection of zines. They enjoy making zines, practicing linocut, and cuddling with their cats.

VIOLET FOX

Violet Fox is a Metadata Librarian at the University of Massachusetts Amherst. She is the creator of the Cataloging Lab, a wiki designed to encourage collaboration in library metadata. Violet is passionate about critical cataloging, zine librarianship, and promoting the mental health of library workers.
